

ISO 9001 REGISTRATION

The International Organization of Standardization, (ISO) is a worldwide organization that develops many different kinds of Standards.

ISO 9001 is a series of documents that define requirements for the Quality Management System Standard. ISO 9001 is one of the documents in this set; it contains the actual requirements an organization must be in compliance with to become ISO 9001 Registered.

Gutierrez Industries, Inc. Quality Policy

Gutierrez Industries, Inc. is committed to delivering quality products, services and customer satisfaction. This commitment runs throughout the entire organization as evidenced by both the collective and individual actions of its employees. We understand that customer satisfaction is the result of not only integrity, responsiveness, and professionalism in our relationships with customers and other parties, but also in identifying our customers' needs and then continually improving upon the way in which we ensure that those needs and requirements are being met. Every employee bears this responsibility and commitment to quality, evolution, and progressive change, not only to our customers but also to ourselves.
